# JOPLIN BOARD OF REALTORS

December 15, 2001

Marian Kelly

Dear Marian,

We want to thank you so much for your amazing performance at our Installation Banquet. The Board had the best participation in many years in anticipation of hearing you speak and we were certainly not disappointed.

The members response was one of great delight. I already have had an outpouring of agents asking for your return, soon!! They unanimously agreed that you were the "best" entertainment we have ever had for this event.

We hope to hear from you again in the near future.

Sincerely,

Dee McCormick  
Association Executive Officer
